WALTER JOHNSON TURNS DOWN \$30,000 SALARY AND \$10,000 BONUS.

(By Leased Wire to Evening Herald.)

Chicago, Jan. 8.—Walter Johnson, the famous Washington pitcher, has refused an offer of a salary of \$30,000 for three years and a bonus of \$10,000 made him by Joe Tinker, manager of the Chicago Federal League team. Tinker announced today Johnson said he was sorry but had already signed with Washington and would not jump his contract.

A similar offer was made Joe Wood, the Boston American game pitcher, but he also declined because he had already signed with his team.

"King" Cole, who gained fame as a member of the Cubs' pitching staff in 1910, and who was drafted by the New York Americans from Columbus last fall, was signed today by Manager Tinker.

Chicago.—Ad Brennan, pitcher of the Philadelphia Nationals and Eddie Packard, pitcher of Cincinnati, were in conference here with Manager Joe Tinker of the local Federal League team, after which Tinker said he expected to sign them. He added that he was after Dave Attizer, short-

The play of the Americans was a revelation to Australian enthusiasts.

Roswell, N. M., Jan. 8.—A committee consisting of John Rhea, Lon Cottingham and Herbert J. Haegerman was chosen at a mass meeting here to select a representative to go to Washington with Governor McDonald and representatives of Eddy and Curry counties to take up the matter of the drift fence law with the federal authorities. The committee is to report at once and raise funds to defray expenses.

The meeting was attended by a large crowd of stockmen, attorneys and business men and was addressed by W. J. Wilkinson, Judge G. A. Richardson, John Rhea, J. P. Hinckley, L. O. Fuller, H. J. Haegerman and others.

A petition was read, reciting the grievances of the stockmen, signed

by 180 stock growers, including some of the most prominent citizens of Chaves county.
